OIL WILL BE COPIED

Portrait to Be Reproduced for Fairfax Harrison.

ALEXANDRIA, March 10.—Sir Joshua Reynolds' portrait of Sir Thomas Fairfax, sixth ford of the name, regarded America, is to be copied for the first Cabinet Hostess Prefers Social time for Fairfax Harrison, president of the Southern railway, a great-great-

nephew of Lord Fairfax. The portrait is the property of Alex-andria-Washington Lodge of Masons, and hangs in their lodge of Masons, and hangs in their lodge room, where it is seen by many thousands of tourists annually. A special meeting of the lodge was held last night for the purpose of granting permission to Mr. Harsrison to have the portrait copied.

The portrait was presented to the lodge by Ferdinando Fairfax, a son of Bryan, eighth Lord Fairfax, in 1813. Ferdinando Fairfax was a member of the lodge at that time. It was valued by E. F. Andrews, director of the Corewan Art Gallery in Washington, some years ago, at \$150,000.

The copy of the original is to be made

ago, at \$150,000.

The copy of the original is to be made by Mrs. E. F. Andrews, and is to be hung in Mr. Harrison's home in Fairfax.

After the Alexandria merchants, whose annual purchases are in excess of \$100,000 per annum, had speceded in having the committees of the legs lature report in favor of rotaning the present rate of 10 cents per \$100 or purchases in excess of \$190,000, they were defeated yesterday when the report was reached by the House of Delegates. By a margin of a single vote the House rejected the report of the committee and fixed the rate as suggested by Governor Stuart and the State advisory board on taxation as follows: Minimum raised from \$5 to \$10, rate fixed at 20 cents per \$100 on all purchases.

One hundred and fifteen merchants in this city are affected by the raise in the minimum and will have to pay additional per annum to the State while a dozen large merchants will be compelled to pay several hundred dollars each additional by reason of the impaign waged in the paceant given bere in May, 1211, intergraphating "Ohio" in the tablean, "A treat of the paceant given here in May, 1211, intergraphating "Ohio" in the tablean, "A treat and the paceant given paign waged in the paceant given here in May, 1211, intergraphating "Ohio" in the tablean, "A treat and the paceant given paign waged in the paceant given here in May, 1211, intergraphating "Ohio" in the tablean, "A treat and the paceant given paign waged in the paceant given here in May, 1211, intergraphating "Ohio" in the tablean, "A treat that I which has to do with mere entertaining," she said at her home entertaining, "she said at her home entertaining," she said at her home entertaining, "she said at he

her knee years ago in Martinaburg, W. Va., today expressed her views on the new Cabinet member.

"Aunt" Bertie, wife of Perry Scott, keeper of a livery stable within a stone's throw of the office Mr. Baker will occupy, halted over the wash board where she was engaged as soon as the name of Secretary Baker was mentioned. "You're from Martinsburg, Aunt Ber-

tie. Do you know Newton D. Baker? she was asked. "Lord, chile! I suttinly do. What's happened to him?" hastily queried the

happened to him?" hastily queried the washerwoman.

"He's just been made Secretary of War," said the questioner.

"I know'd it. He's always been goin' from better to best ever since he wuz able," declared Aunt Bertie. "I 'membah him when he wuz in kilts. His deah ole daddy wuz a doctah in Martinsburg. We all know'd him well. He used to drive about in a buggy with a fine hoss. My husban' Perry used to take care o' that hoss, too.

"Every time the doctah come to the stable with Massa Newton or one of the other chil'ren in the buggy I would take 'em out and 'muse the little ones. I'se often had Massa Newton on my knee. It was some pretty chile, too.

"He nevah wuz a fightin' chile to de best of my 'collections, but always believed he could and would if put to it."

"You think he is for preparedness."

KNOCK OUT GERMANS

British Experimenting With New Distillery Product.

LONDON, March 10.—Replying to a deputation of the Temperance Council of Christian Churches, David Lloyd-George, minister of munitions, said that the police records showed a reduction of something like 40 per cent in drunk-enness throughout the country.

He hoped the nation would be convinced that success in war largely depended upon removing the drag upon its efficiency caused by drink.

However successful in war the country winged the total war and the product.

"You think he is for preparedness then?" Aunt Bertie was asked. "Foh what?" she asked. "Do you think he believes in being prepared to fight?" the questioner ex-'Don' know dat, but I bet he'd be ready for anything dey start with him, the old woman replied.

Northcliffe's Valet Is Finea as Slacker

LONDON, March 10 .- William Stephen LONDON, March 10.—William Stephen Brown. Lord Northeliffe's valet, was sentenced to pay \$100 fine or serve forty-one days in jail at Bow street for corruptly offering g5 to Dr. Joseph Reville McDennell, a medical officer on the recruiting staff, as an inducement to reject him as physically unfit for military service.

on behalf of Lord Northcliffe it was declared the valet had represented that he had been twice rejected from the army. Otherwise, it was said, his lordship would not have taken Brown into his service.

"Obedience Votes" Given President, Says Vardaman

"Votes of obedience to meet the exirencies of party politics," is the de-scription given by Senator Vardaman in a speech in the Senate of the so-called votes of confidence in the Pres-ident in tabling warning resolutions. Senator Vardaman declared holders of bonds of the allies and munitions makers would be glad to see war with Germany.

He declared Germany had been more careful of the rights of this nation than the allies had been.

sale of the grain at fair prices, as a measure to allay disorders due to the rising cost of living.

Backaches, Headaches, Lumbago and Rheumatic Paina Quickly Disappear Hefore New Remedy.

It is no longer necessary for any one to any poper diet. Science is agreed that if fresh airy rest and avoidance of food excesses constitute the most effective nonmedical treatment in this widespread disease.

Often, however, these measures need supplementing by proper medication. The system incks surficient resistances to overcome the attack, and something must be done to assist in upbuilding the partent's strongth.

In many cases of this sort Eckmans. Alterative has been used with marked success. Its efficacy in this disease has borne fruit in a record of numerous apparent reciveres, and where a tonic is indicated, it has produced most benefit call results.
